Welcome

Respite Haven is a trusted NDIS provider in Geelong. We offer specialized accommodation and support services designed to enhance the independence and quality of life of NDIS participants. Whether you're looking for short-term respite, long-term housing, or community-based independent living, we provide luxurious, fully equipped homes and tailored support to meet your NDIS goals.

Specializations :

At Respite Haven, our name reflects our mission—providing a safe haven for NDIS participants seeking quality respite, supported living, and independence.

Mission

Empowering NDIS participants in Geelong with high-quality respite care, SIL, SDA, and ILO services, fostering independence, social engagement, and personal growth in a safe, supportive, and person-centred environment

Vision

Our vision is to redefine disability support by offering luxurious, comforting, carefully designed, personalised, and holistic accommodation solutions that promote independence, choice, and dignity. Our vision is to be the leading provider of alternative NDIS housing models, helping Participants transition into sustainable, fulfilling lives while making meaningful community connections.

Welcome

Our Services

Respite Facility & Homes

NDIS-funded short-term accommodation (STA/MTA) in a Shared Facility Style or OPrivate Home. Providing a safe, engaging, and supportive environment for participants needing respite and skill-building with 24/7 care.

Supported Independent Living (SIL)

SIL homes in Geelong are designed to help participants build independence, develop Living Skills, upskill, and engage in community Access while receiving Person-Centred daily support in private or shared accommodation.

Individualised Living Options (ILO) & Concierge Model

Flexible living solutions allow participants to choose their support level, from 6-hour daily ILO support to a light 3-hour Concierge Model, with on-demand staff availability for independent living.
